NOTE

ICAR-IISS Bhopal has executed an externally aided project entitled "Evaluation of Efficacy of Sulphur and Zinc Containing Complex Fertilizers for Maximizing Yield through Balanced Nutrition of Different Crops in India" with M/S Zurari Agro Chemicals Ltd. The project was successfully executed at different SAUs of AICRP MSPE centres across the country & was completed on 30th June, 2018 with the concluding workshop at CSKHPKV, Palampur. The final project report along with CR-2 form was submitted to the Director/PME which was approved by the Competent Authority of the Institute. There is a provision for disbursement of Intectual Fees to the contributors of the project for which an amount of ₹2,11,625/- has been earmarked after deducting all the tax liabilities and other expenses. As PI of the project I have ^{proposed} distributed the Intectual Fees among the authorities and staff of the Institute as per the ICAR Rules and Guidelines for Professional Service Functions 2014. Hence, the case may be processed for distribution of Intectual Fees as per the list attached.

Dr R. Elanchezhian	-	Member
Dr AK Vishwakarma	-	Member
Dr Kollah Bharati	-	Member
Mr SK Gupta	-	Member
Mr Rajesh Dubey	-	Nominee of FAO

The CPC went through the comments of the Director regarding proposal submitted by Dr. A.K. Shukla, PI about the distribution of Honourarium in of two contractual projects funded by M/s. Indofil Industries Ltd. and M/s. Zuari Agro Chemicals Ltd. The proposal may now be displayed to the notice board for 2 weeks to obtain representation from Staff members to Competent Authority about anomaly in distribution, if any,

The CPC also went through the proposal submitted by Dr. Sanjay Srivastava, PI, regarding the distribution of Honourarium of the contractual project sponsored by WARKEM. The PI in the proposal informed that the project has been completed and objectives as outlined in MoU have been achieved. After thorough discussion, the committee recommend to display the honourarium proposal to the notice board for 2 weeks to obtain representation from Staff members to Competent Authority about anomaly in distribution, if any.

CPC reiterated that for all projects which may result in some IP output, notwithstanding the license granted to the sponsoring party, the ICAR shall have the right to license the intellectual property, even during the period of exclusivity if:

- There is a proposal for import of same / similar intellectual property as developed under the collaborative project; or
- Government of India desires the ICAR to disclose the intellectual property for its own use/benefit of stakeholders; or

The above recommendations/suggestions are being offered by presuming that all the pre/post procedural have been/ shall be complied with in letter and spirit.

Submitted to Director, IISS for approval and further necessary action please.

Proceedings of CPC meeting held on July 30, 2019

The CPC met on July 30, 2019 at 12.30 pm to discuss the agenda items circulated on July 29, 2019 through e-mail. The following CPC members did not attend the meeting: Dr SR Mohanty, Dr Sangeeta Lenka and Mr Neeraj Tahiliani.

CPC went through the proposal of distribution of honourarium from Dr. Muneshwar Singh (PI) funded by PPRI, Gurgaon. The proposed distribution was found to be much more than the provision of honourarium under MoU of the said project. Hence, CPC has provided its view of submitting the revised proposal as per MoU for further action in this regard.

CPC also critically went through the representation received by the Competent Authority and marked to CPC w.r.t. distribution of honourarium of two contractual projects funded by M/s. Zuari and M/s. Indofil (PI: Dr AK Shukla). It was observed that honourarium (of 80%) for Project Staff was not allotted as per listing of the MOU. According to MOU, 22.5 man days are accorded to each of the projects over a span of three years. A total of seventeen people are proposed to be given honorarium from admin, finance, tech, and supporting staff. From the above, it is clear that several non scientific project personnel have given input which is less than one scientific man day. But, they have been proposed to be given honorarium for several man days. CPC recommends that any such deviation if occurs has to be brought in the knowledge of competent authority with proper justification. And, only after the approval of competent authority such major changes may be effected.

Regarding honorarium distribution, CPC observed a vast difference between what is sanctioned and what is proposed to be distributed with respect to different categories of personnel. PI is, therefore, requested to rationalized the distribution with proper balancing of allocation as well as contribution. It was further pointed out during the meeting that these deviations might also have possible repercussions for the revenue of Income Tax Department of Government and therefore, should be avoided.

Submitted to Director, ICAR-ISS for approval please.

Proceedings of CPC meeting held on February 23, 2019

The CPC met on February 23, 2019 at 12.30 pm to discuss the agenda items circulated on February 22, 2019 through e-mail. The following persons were present in the meeting:

Dr Pradip Dey	-	In Chair
Dr R. Elanchezhian	-	Member
Dr AK Vishwakarma	-	Member
Dr Kollah Bharati	-	Member
Mr SK Gupta	-	Member
Mr Neeraj Tahiliani	-	Member

The CPC discussed about the CR2 report and technical report submission of two contractual projects funded by M/s. Indofil Industries Ltd. and M/s. Zuari Agro Chemicals Ltd. from Dr. A.K. Shukla, PI. As per ICAR Guidelines, the CR2 report needs to essentially include the distribution of honourarium. Also it was observed that the distribution of honourarium in CR2 report needs to be corrected strictly as per ICAR guidelines. Hence, it is suggested to include correct distribution of the honourarium in the CR2 report as per guideline. The technical reports of the project may be sent to sponsor if the total amount of project money has been received in ICAR-IISS account.

Submitted to Director, ICAR-IISS for approval and further necessary action please.

Proceedings of CPC meeting held on February 25, 2015

The CPC met on February 25, 2015 to discuss the projects submitted by Dr. AK Shulka, Dr. Pradip Dey and extension of project being dealt by Dr. R. Elanchezhian as PI. Following members were present in the meeting and Dr. R. Elanchezhian was absent.

Dr Pradip Dey	-	In Chair
Dr R Elanchezhian	-	Member
Dr. AK Vishwakarma	-	Member
Dr JK Saha (as I/C AO)	-	Member
Mr Neeraj Tahiliani	-	Member

The CPC went through the submitted project documents by Dr. AK Shulka, Dr Pradip Dey and found that the objectives and activities of the projects are in line with the institute mandate, and hence, the CPC agreed in principle that the projects can be taken up by the institute. In the meeting, the CPC observed that remuneration component of RA/SRF should be added in the main budget so that the same is included in the share of Institutional Charges; otherwise Institute will lose on revenue. Also regarding the extension of project entitled, "Evaluation of plant nutrition product for increasing NUE of cereals" being dealt by Dr R. Elanchezhian as PI. The PI (Dr R. Elanchezhian) informed the CPC that the *kharif* season was lost due to non-availability of testing material and there is savings in the project to complete the activities of *kharif*. The CPC observed that although there is no objection for extending the project as the *kharif* season was lost due to non-availability of testing material and there is savings in the project to complete the activities of *kharif*, the PI should ensure to have some fund as Institutional Charges for the extended period, to which the PI (Dr. R. Elanchezhian) agreed.

The CPC observed that for all projects which may result in some IP output, notwithstanding the license granted to the contracting party, the ICAR shall have the right to license the intellectual property, even during the period of exclusivity if:

- There is a proposal for import of same / similar intellectual property as developed under the collaborative project; or
- Government of India desires the ICAR to disclose the intellectual property for its own use/benefit of stakeholders.

Submitted to Director, IISS for approval and further necessary action please.
