

## PM KISAN SAMMAN NIDHI PROGRAM ORGANIZED AT ICAR-IISS, BHOPAL

A programme was organized by ICAR-IISS, Bhopal on 25 December 2020 at 12:00 PM in which Hon'ble Prime Minister Shri Narendra Modi Ji interacted with farmers of Madhya Pradesh. Keeping in view of the COVID-19 pandemic situation,

the farmers were assembled at three different places viz. conference hall, committee room and open space near the reception of the Institute campus following the COVID-19 protocol and safety precautions. Farmers from different villages of Bhopal district namely Bhairopura, Khamkheda, Mugaliahat, Pura Chhindwada, Parwalia Sadak, Raipur, Kanch Vawali, Kalyanpur, Rasalakhedi and Tarasewaniya gathered at the campus and attended the programme virtually. Before the interaction programme, awareness generation for the farmers on "Improving Soil Health" was organised. A field visit was organized to showcase the technologies and achievements of the Institute. Further, agri inputs like, fertilizers, saplings and implements were distributed to eligible farmers under SCSP programme. Apart from this, about more than 1000 farmers, scientists, students and other staff of ICAR-IISS, Bhopal registered and attended the meeting virtually.
